

END-SIGN™ FLAG TEMPLATES

Please view the next 2 pages for your full scale artwork templates. Save with outlines (paths) as an Adobe Illustrator File, EPS file, or as a high res PDF file.

Please remember artwork cannot be flipped. Design onto the one template as seen below unless paying for two separate images on each side.

ACCEPTABLE DESIGN

artwork view

side 1 view

side 2 view

All artwork is created on one file. Any image or text must be identical in both the sides top sections unless you are happy for it to be deleted from one side.

UNACCEPTABLE DESIGN
